Play With Purpose

Washington Revels' popular dramatic play class, Little Dragons, is coming to Takoma Park! Through song, dance, story, and hands-on activities, we celebrate creativity, community and culture through exploring the magic of theatre; the natural world and its people; and traditions old and new.

Classes focus on storytelling and dramatic play grounded in world cultures and traditions. Nature walks and experiences blend science and art. Shared experiences teach us what it's like to create together. Families will also be invited to participate in Revels community activities and celebrations, like our May Revels and July 4 parade.
